

# Cross Country & Snowshoe Trail Map

WARNING: Skiing and other winter recreational activities involve inherent and other risk of INJURY and DEATH. Trail conditions vary constantly because of weather changes and ski use. Bare spots, stumps, ice, variations in terrain, forest growth, rocks and debris, grooming equipment and other natural and man-made obstacles and hazards may exist throughout the area. You assume the risk of personal injury and death related to participation in recreational activities within this area. ALWAYS SKI IN CONTROL. You are the sole judge of your ability to proceed on any trail.
